# St. Paul's Family Ministries

## Our Purpose

Our purpose is to provide an opportunity for all church members, in all stages of life, to participate in social and spititual activities of the church which promote personal and spiritual growth, build relationships with one another, and to equip them with the hope and strength found through a relationship with Jesus Christ.

## Large Fellowship Events

Large fellowship opportunities include events that observe the yearly Christian calendar, fall kick-off picnic, retreats, and church wide celebrations. See list of current events offered under family ministries and check website for updates.

## Program for Seniors

Every Person's in Christ (EPIC) is offered for our senior citizens. EPIC meets on the third Wednesday of every month at 11:00 am. Programming includes a wide variety of activities such as trips to dinner theatres, movie day, presentations provided by guests on topics such as trips to other countries, and sessions on how to access senior resources. We also have game day, share a memory or picture day and a Christmas program every year. Transportation is provided if needed.
